Dear Nichols Law Office,

Thank you for volunteering your time to help put on McMahon Ryan Child Advocacy Center's *Holiday Angels Project* for 2018! With your help, McMahon Ryan was able to brighten the holiday season for nearly 65 families and 190 children. Our efforts would not be possible without the help of people like you within our community. Families were greeted with toys, books, puzzles, winter clothing, gift wrapping supplies, and non-perishable food. This truly was a group effort, and we are deeply grateful for your contribution.

McMahon Ryan Child Advocacy Center is a non-profit organization that provides a safe, child and family friendly environment for victims of child abuse and their non-offending family members. Our goal is to provide support and we work to reduce the trauma that abused children face during the investigation, prosecution and treatment of their abuse.

On behalf of McMahon Ryan Child Advocacy Center, please accept our heartfelt thanks and appreciation. We wish you a happy and healthy New Year!

Sincerely,

Colleen Merced
